1) About Us box

<h2>
Login</h2>About Us

Our research focuses on company-specific research and analysis. We dismantle overly optimistic forecasts and evaluate the persistence of earnings. We identify future catalysts and look for inflection points that other investors may be missing. Our clients use these insights to develop their investment strategies.

Short Ideas utilizes a number of distribution channels to ensure timely and effective dissemination of our research to entitled clients.

2) Sample Research box

`<h2>
Login</h2>Sample Research`

Please contact us for sample research.
